

ANTI-SLAVERY POLICY

Comgroup Supplies Pty Ltd strictly prohibits the use of modern slavery within the organisation and its supply chains. We have and will continue to be committed to regular external and internal risk assessments. Controls will be implemented and monitored to ensure compliance with relevant legislation such as the *Modern Slavery Award 2018*.

To show our commitment Comgroup Supplies Pty Ltd will:

- Keep up to date with all requirements following relevant legislature changes
- Continue to be a member of Sedex and comply with their auditing requirements
- Conduct risk assessments of suppliers before conducting business with them
- Conduct risk assessments of internal and external stakeholders and enforce our requirements as instructed by Sedex and our own best business practices

Following the requirements of Sedex and staying informed of all relevant legislature updates to the *Modern Slavery Award 2018* will allow Comgroup Supplies Pty Ltd to conduct ethical business.
